Emergency Department
Mount Sinai South Nassau
One Health Way
Oceanside, NY 11570

Dear Hiring Team,

I am a Physician Assistant student graduating from CUNY York College in January 2023 with a Master of Science in Physician Assistant Studies. I am pleased to express my strong interest in the Emergency Medicine Physician Assistant position at Mount Sinai South Nassau.

My experience across multiple careers in numerous workplace settings has allowed me to hone my interpersonal and communication skills to the high-level fit to represent the Mount Sinai name and reputation. Throughout my rotations in adult, pediatric, and psychiatric emergency medicine, I believe my ability to work cohesively with a team, think on my feet, and simultaneously handle a wide range of challenging patients make me a competitive candidate for this position. I have been interested in working in emergency medicine since before starting my physician assistant education, including spending time working in a level one trauma center emergency department. Attached is my CV that can provide a better understanding of my experiences thus far.

I look forward to an opportunity to speak with you soon. If you have any questions, please feel free to contact me via email or phone listed above.

Thank you for your time and consideration.

Sincerely,

Matthew Lemieszewski
